

PCCharge™ 5.7.1f Release Notes

New Certifications For Existing Payment Processors

The following payment processing companies existed in **PCCharge** prior to version 5.7.1f. These new certifications provide new functionality for these processing companies.

- **Vital (aka VisaNet)**
 - CREDIT: Added American Express CID and Discover CID

Re-Certifications Of Existing Payment Processors

The following payment processing companies existed in **PCCharge** prior to version 5.7.1f. These processing companies were re-certified for this release (to meet the latest specifications).

- CHECK: Certegy
- CHECK: TeleCheck International
- CREDIT: Purchasing cards level two for Global Payments - East (*formerly National Data Corporation*)

Other New Features

The following miscellaneous features were added to **PCCharge** version 5.7.1f.

- CREDIT: Added CVV bypass code for Global Payments - East (*formerly National Data Corporation*)
- DEBIT: Added the VeriFone SC 5000 PIN pad for DUKPT processing

System Requirements For PCCharge v5.7.1f

You Must Have The Following

- PC with Windows 98, XP, NT, 2000, or 2003
- 64 MB minimum of RAM, 256 MB preferred
- 30 MB of available hard-disk space, 100 MB preferred
- An Internet connection OR a Hayes compatible modem (capable of 1200 baud or less) & an analog phone line
- CD-ROM drive
- 400 MHz or higher processor
- Latest Microsoft service pack updates installed
- Merchant Account with a **PCCharge**-certified processor

- SSL updates if required (detailed in the **PCCharge** manual SSL Requirements)
- Latest version of Microsoft's Internet Explorer (version 6 or later)
- We require that you install the latest version of Microsoft's Internet Explorer no matter how you connect to your processor. Some processors require Internet Explorer version 6 or later to be installed in order to process transactions. Internet Explorer is more than just a web browser; it actually upgrades your operating system.

The Following Are Optional

- Track I & II reader
- Check Reader/Scanner
- Debit Card PIN pad
- Windows compatible receipt printer
